Dear Father or Deacon,

This couple has advised us that you will be available to celebrate their Marriage here at St. Christopher's Church. Would you kindly notify us of your acceptance by sending us the following information:

Priest/Deacon Name: _____

Diocese or Order: _____

Church or Ministry: _____

Address: _____

Phone Number: _____

Name of Groom: _____

Name of Bride: _____

Wedding Date & Time: _____

Visiting priests/deacons are asked to abide by the parish guidelines. Please make sure the couple gives you a copy. Please call if you have any questions. You are normally asked to prepare the couple for marriage, complete all paperwork with them, plan the Liturgy with them, and be available for the rehearsal. If needed, the clergy of St. Christopher's would be happy to assist you in any of these areas (for example, because of long distance).
